**14350 FM 1488**  
**Magnolia, TX 77353**

The National FFA Organization secures financial resources for our students by:

- Recognizing member achievements,
- Developing student leaders and
- Supporting the future of agricultural education.

Financial resources are used by students to further their education in the form of scholarships and grants.

Here are just a few of the ways the Magnolia community supports FFA and 4H students by attending the Annual Show:

- Sponsor an award.
- Purchase an animal in the sale.
- **ADD ON** a donation to an animal in the sale.
- Donate goods and services needed for the show.

All donations are tax deductible as FFA and 4H have a 501c3 non-profit tax exemption status.

More than \$30,000 was raised for Magnolia students at last year's show! The above pictures of our students are last year's Grand Champion winners with their Buyers and/or Sponsors.
